

NEGRO NATIONAL LEAGUE

August 5, 1939.

TO THE OWNERS:

Dear Sir:

Below please find the correct and official second half Negro National League standings to-date.

These records includes the results of all scheduled games played up to the East-West game, with the exception of the Baltimore Elite Giants-Cuban Stars game played in Wilmington, Del. on Saturday, July 15.

This game has been taken out of the standings because of the protests of Manager Aleck Pompey of the Cuban Stars, who contends that the respective clubs decided before the game started that this would be an exhibition engagement.

Therefore, until this matter is definitely decided, I thought it best not to include the results of this game in the standings.

Kindly advise immediately should you have cause for any questions. Best regards.

STANDINGS

	W.	L.
Baltimore Elite Giants	12	4
Homestead Grays	6	6
Newark Eagles	7	7
New York Black Yanks	3	5
Philadelphia Stars	6	10
Cuban Stars	1	3

Respectfully submitted,
